SUMMARY

I received a degree from the University of South Florida in Psychology and Applied Behavior Analysis. After a year in the field I decided that behavioral analysis wasn't the career that I wanted. I had been learning programming in my spare time for several years and decided that now was the time to take a big risk and turn my hobby into a career. I'm looking for a place where I can continue to learn, grow, and be challenged.

EDUCATION

University Of South Florida
BA Psychology 2015
Minored in Applied Behavior Analysis

Pasco-Hernando Community College
AA 2013

The Odin Project
Full Stack Ruby on Rails boot camp. Sections completed:
◘ Introduction to Web Development
◘ Web Development 101
◘ Ruby Programming
◘ Ruby on Rails

EMPLOYMENT

Behavioral Evolutions, Inc.   St. Petersburg, Florida
Behavior Assistant   Oct 2015 to Dec 2016

I oversaw the implementation of behavior plans, collected data, and trained staff.

PROJECTS
